**Pradhaan Mantri Awas Yojana – Housing For All (Urban)**

Pradhaan Mantri Awas Yojana – Housing For All (Urban) scheme facilitates all the kuccha houses in Urban areas to Pucca Houses. In order to do this, a detailed Demand Survey is done. For the construction of each house Rs 3,68,000 will be given to each beneficiaries for the Detailed Project Report of Financial Year 2018-2019. The fund calculation is as follows:

|                     |   |                             |                           |
|---------------------|---|-----------------------------|---------------------------|
| <b>Total amount</b> | = | <b>Central + State fund</b> | <b>Beneficiary Amount</b> |
| Rs 3,68,000/-       | = | Rs 3,33,000/-               | Rs 35,000/-               |

Since the geo-tagging process is linked with each construction stage, therefore the fund distribution will be divided into 4 stages. The funding stages for each geo-tagging phase is mentioned below:

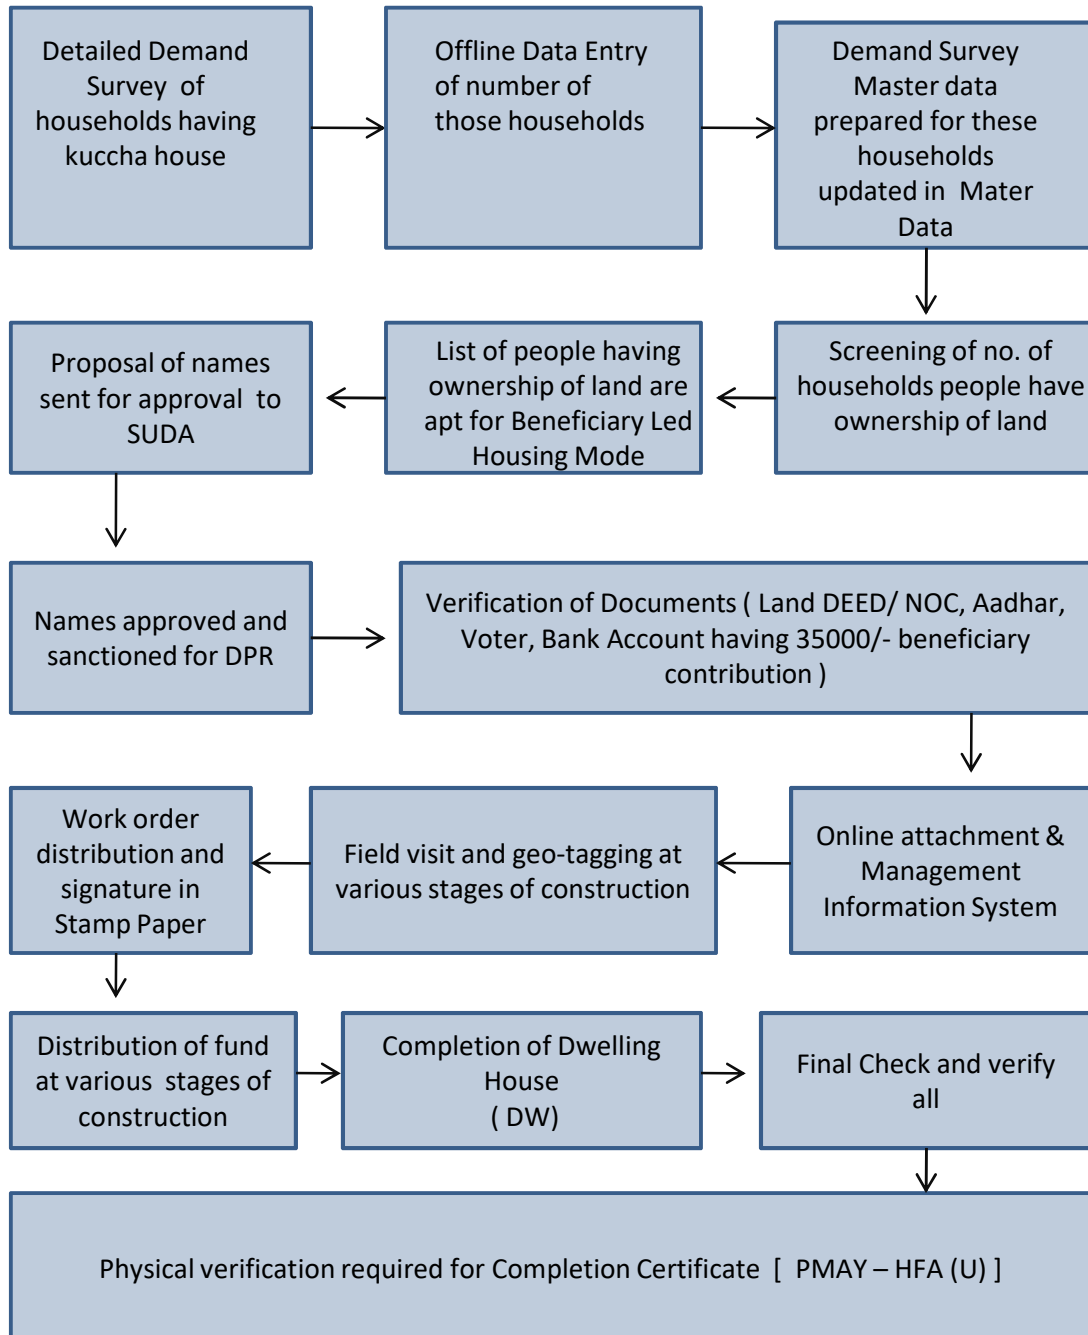

| Work  | Geo-tagging phases  | Funding stages          | Amount (Rs)                              |
|---|---|-------------------------|--|
| 1. Empty plot for initiating construction                 | Photograph taken at not started level   | Non started level       | Rs 35,000/- (beneficiary money)<br><br>+ |
| 2. Construction till plinth level according to Model Plan | Photograph taken at plinth level stage  | Till plinth level stage |  |
| 3. Construction till Lintel Level                         | Photograph taken at lintel level stage  | Till Lintel level stage | Rs 80,000/- (Govt grant)                 |
| 4. Construction till Roof Level                           | Photograph taken at Roof level stage  | Till Roof level stage   | Rs 80,000/- (Govt grant)                 |
| 5. Construction fully completed ready for occupancy       | Photograph taken at after finishing, plastering and services in working condition | After Completion        | Rs 93,000/- (Govt grant)                 |
|   |   | <b>Total</b>            | Rs 3,68,000/-                            |
